The time listed is when the bus will leave each location. Please be sure any students riding the bus are at their pickup location before the listed time. They must have their student ID to board the bus.

If your campus is in one of the "additional schools boarding at this location" columns, please help your students understand this means they will not board at their own campus, but the one to the left of it highlighted in either gold, green, or grey.

Because their campus is hosting, Wilmer-Hutchins students will not have bus transportation.
