

Has the brain ever fascinated you?

Has the issue of mental health
been one you care deeply
about?

Have you ever
wondered if a
career in mental
health is right
for you?

Apply
for the

Inspiring Careers in Mental Health

high school
internship!

Organized
by the
Department of
Psychiatry at UT
Southwestern Medical
Center, this

2-week summer internship
(June 1st–5th and 8th–12th):

- shows students the range of mental health careers,
- allows students to hear from experts in psychiatry, neurology, and more, and
- lets students observe doctor-patient interactions!
